

BEAUTY QUEEN OF EUROPE - Miss Denmark, now
Anse Clausen, elected "Miss Europe" at Nice.

-France-

Picture. Well, one important affair has been settled
on the Continent this week, and not at Geneva--

--either ! The Queen of Beauty for Europe has been
decided--

--upon. I don't quite know who decided it,--

--but it has been done, and here she is ! Mademoiselle
Anse Clausen--

--of Denmark ! For the next 12 months she is to be--

--Miss Europe. It seems that blondes are still
preferred, after all !
