BRITISH RECORD STANDS - Gar Wood fails in
attempt to beat Kaye Don's water-speed record
at Miami Beach.

-Florida-

Picture.:- Gar Wood, the American speed merchant makes
a great effort to beat the record set up by Kaye Don
at Lake Garda, last year.

EFFECTS TILL END OF SHOT.

Terrific speed, but he's got to come back yet against
the stream.

EFFECTS TILL END OF SHOT.

A clever sportsman has failed. At one time he
reached over--

--111 miles an hour, but the return journey pulled down
his speed a fraction,--

--and only a fraction below that of Kaye Don.

Even the Teddy Bears didn't bring--

--him all the luck! But he'll try again! Atta, boy!
