

WOMEN'S HOCKEY INTERNATIONAL - England

defeats Wales (6-1), at Merton Abbey.

-Surrey-

---

Picture.:- England's team of Women hockey players had a great time at the International--

--match against Wales. The Welsh girls make a fine show as they take the field,--

--but their game is not up to their promise. While playing a good combined game,--

--they allow the English girls to force the pace and break--

--up their team work. The crowd is the--

--largest to attend International hockey. Both teams contribute--

--some fast play, and a lot of exciting moments. Here's one ! England looks like scoring ! And she has ! Good work !

Wales defends strongly, and their play is often superior,--

--but England presses, scrambles another goal and wins six-one ! Hard luck, Wales.
