AQUAPLANE THRILLS - Skill and speed in
sensational "super-skidding" display at
Winter Haven.

-Florida.U.S.A.-

Picture :- This is one of those stories which is all
skid. The--

--sport is called aquaplaning, and this man Carl Bryson--

--is the super skidder of the world. Isn't it--

--a thrill ? To stick on a bucking broncho is easy
compared with that !

The boat gets terrific speed and then twists its
course, with the result--

--that you skid over the--

--water at anything up to sixty miles an hour. And on--

--the top of that you can't see where you are going for
flying spray. Try it during your--

--holidays ! He's shown you how easy it is, so if you
capsize blame him, not me !
