LINCOLNSHIRE HANDICAP - First big event of
the 1932 flat racing season.

-Lincoln-

Picture.:-

A lot of people to see the Lincoln but not so many as in -----
-----previous years. I expect the others are at home straining
their -----

----- eyesight trying to find their names in the sweepstake
lists. Thirty six runners-----

and jockeys line up for a fair field and no -----

-----favour. Hello..this one has bucked and bolted. He thinks
its the Grand National -----

-----They're off. . and all got away well. Ghost Train and Ken
Hill are leading -- no----- Knight Error is in the first four
-- is it Jericho coming through --cant quite see-----

-----Ken Hill is dropping back and the lead is going to
Knight Error. Gerald- Jerome Fandor is pulling ahead now
He's passed Go Easy, Ken Hill --- what a race -----

----- The last stretch -- how are they now --- Dooley and
Knight Error on the rails -- Go Easy facing them ---Jerome
Fandor has done it,with Dooley -----

-----and Knight Error second and third. All outsiders, forty
thirty three and fifty -----

-----to one winners. There's Jerome Fandor being led in.You've
done a fine job -----

-----of work,Jerome, but I'm quids out on the deal.
