ON TOP OF THE WORLD - Welsh girls in  
national costume inaugurate re-opening  
of railway up Snowdon.

-Wales-

Picture:- Who'd like a trip with these Welsh girls--  
--to the top of Snowdon Mountain. The rack railway,--  
--the only one of its kind in Britain opens to-day.

All aboard, folks ! I like the national costumes,  
don't you ?

Hold tight ! We're off !

TRAIN EFFECTS.

It's a perilous journey, and you may lose your  
hat or your heart at any moment.

Higher and higher we mount, and see the valleys--  
--spread out below us ! Our station is no less than  
3 thousand 1 hundred--

--and 40 feet above sea level, and we'll soon be there !  
Thousands of summer visitors will follow later but  
you--

--had the first trip this year ! Come again, look you !
