

ALL SCOTCH - Ten thousand Highlanders see final
tie for Scottish Shinty championship.

-Glasgow-

Picture:- This is a sad, glad, day for the Hielanmen !
They're sad to--

--pay to enter, but glad to see their teams in the Finals
for the Shinty Cup.

Here are the teams ! Newton More has A.MacDonald,
John MacDonald, D.MacDonald, James MacDonald, Alec
MacDonald, and Donald MacDonald. Well, why not say the--

--whole clan and finish ! Oban has only two MacDonalds,
but there's MacLachan, MacInnes, MacTaggart, MacLennan,
oh - - and Duncan MacGregor is the referee.

Anyway you know now that the teams are really--

--representative of the famous Heiland clans, and ten
thousand other Macs--

--stand round to cheer the players to greater efforts.

Newton More raids Oban's goal fiercely ! After--

--stout resistance from the defenders, Newton More just
manages to secure the victory by one goal !

So Mr. Bain the Shinty Association's President
presents them with--

--the Cup, while the crowd goes daft. Newton More is--

--proud of their cup ! Sez you ! - I mean, ooh aye !
