

INTERNATIONAL "SOCCER" - High "spots of the
England V. Scotland football match at Wembley.

-Middlesex-

Picture.:- Wembley goes more than half Scotch for the
International--

--footer match. In fact, it's a wholesale Scottish--

--invasion. England takes the field led by Blenkinsop
as Captain.

She wins the toss, and Scotland has to face rather a--
--boistrous wind. The excitement of the huge crowd--
--runs high at the kick--

--off, and Scotland gets the best of the opening exchanges,
but their luck doesn't--

--hold. Here's a fine run-up on the wing by Archibald, but
the English defence stops a good--

--effort. As the Sassanachs warm up, the play becomes
fast and furious.

The pressure on the Northern goal is increased.
Here comes a chance for England, and she scores,--

--headed in by Waring I think. Now it's Scotland's turn !
Morton centres the ball, but Pearson smartly clears.

With respect to the Scottish team, England deserves
her win of--

--three-nil ! Never mind, Scotties ! Save it up till
next year !
