

GOOSE COMES TO TOWN - Winged adventurer
deserts the farmyard for the city.

-Savannah, U.S.A.-

Picture:- Oh Goosie, Goosie Gander, where do you
wander? This one has walked--

--out of a nursery rhyme and taken the wrong--

--turning, but he's not such a goose--

--as to lose sight of his master. Even traffic
crossings don't--

--scare him. He was arrested once for suspicious
loitering, so when Mr. Coleman tries to give him
the slip, he drops his dignified walk, gets
panicky and--

--becomes just an ordinary--

--goose. I wonder what he thinks when he passes
the poulterer's shop--

--at Christmas Time. I'll bet he looks the other
way!
