NORTH VERSUS SOUTH - Keen battle between
Dulwich Hamlet and Liverpool Marine in F.A.
Amateur Cup Final.

-West Ham-

The world's worst football weather greets the Liverpool Marine
as they come ----

----on the field to play in the Association Amateur ----

----Cup Final. Here come the Dulwich Hamlet team. The field is

----a quagmire. Dulwich wins the toss. The conditions ----

---- are very bad. Players can hardly stand. Drizzle is c-
ontinuous and a boisterous wind doesn't help matters for
either side. In spite ----

---- of this Marines attack vigorously. Dulwich goalkeeper
gets a lot to keep him busy. But the Southerners take the----

----ball down the field and look like scoring --and score
--GOAL-----

----NO --someone was offside. Not easy to follow the play
in this drizzle. The teams get ----

plenty of encouragement from the crowds. They must be soaked
to the skin by this time. Dulwich has-----

----has had the best of the game. Marine has done well but
there's no doubt they are outplayed. The finishing score is
Dulwich & Marine 1. Well played, Dulwich.
