CHEERS OVER CROWD SHOT.

AEROPLANE OVER AERIAL SHOT.

Newcastle gets dangerous now --but doesn't get as far as finding the net.

This looks like it -- a fine pass to centre, but nothing very wonderful happens.

AEROPLANE EFFECTS SHOT.

Every time any outstanding play occurs, the crowd go frantic with excitement.

The attacking outside left beats his man, but the ball goes out for a corner.

There's some discussion about Newcastle's last score, but--

--they've got the Cup by two goals to one,--

--after playing marvellous football.

CHEERS UP TILL FINISH.
