The opening of the Shakespeare Memorial Theatre makes to-day a memorable day-----

-----in the history of the town of Stratford on Avon. The streets of William Shakespeare's birthplace are trodden by distinguished people of all---

-- --nations and by actors of all those varied characters which-----

----adorn the pages of his plays. The Prince of Wales does honour to the poet-----

----the French Ambassador, whose country too is rich in literature-----

-----The American Ambassador-- these are but-----

-----a few of representatives of the nations paying tribute--

-----to the genius who has made English poetry the envy and admiration of the peoples of the earth and whose flags to-day float over-----

-----the birthtown of the supreme poet of all-time. The Prince----- of the ages. This theatre-----

~~opens the door of the theatre~~

-----provides a permanent memorial to the name and fame of William Shakespeare.
