

SUBMARINE PUGILISM - Sportsmen of Florida

stage a decided novelty - - Undersea Boxing !

-U.S.A.-

Picture.:- The first Boxing Match ever fought out under water ! The old style, please notice ! Bare fists ! It all looks a bit slow to me ! Maybe there's lots of time ! Oh ! Nearly a knock-out ! No ! He's recovered ! They're floating round trying to find an opening ! Don't stroke ^{me} me, man ! Strake him ! This isn't a fight ! It's a petting party ! The usual prize-fight audience of poor fish gather round wondering what it's all about !

He goes up for the count ! seven ! eight ! nine ! ten !

And that's another sea-battle won and lost !
The fish flap--

--their fins and the slogger smiles and makes for the nearest towel ! He's beginning to feel--

--the damp ! Well he looked all wet long ago !
