welcome Newcastle United team on arrival with
the football trophy.

-Newcastle-on-Tyne-

Picture:- Newcastle United arrive home with the Cup !
One hundred thousand people get sore throats cheering
the football giants as they make their triumphant--

--progress through the streets. The whole town goes
crazy !

The Team have to cling to the top of their bus--

--like limpets or the riotous crowds would mob
them in their wild enthusiasm . At one time the
situation--

--looked difficult, but the Police got busy and
checked what might have been a dangerous--

--development.

CROWD AND NOISES ONLY OVER NEXT 2 SHOTS.

All this is to be followed by a reception for the team--

--at the Newcastle Theatre. By the time this night is
finished they will have earned that cup twice over.
