HARD COURT TENNIS - A glimpse of famous "stars of the courts" battling for the Championships.

-Bournemouth-

---

Picture:- Just a glance at the Tennis stars playing in the Hard Court Championships at Bournemouth. Perry (nearest camera) battling with E.C. Peters. Perry took--

--this match easily at first, replying to a fast shot with a swift return. Later--

--he turned serious, and his back hand cross court--

--drives frequently left his opponent standing. Peters plays excellently, but at last loses to Perry in the fourth set.

The games attract only a fair number of--

--spectators. These players are Mrs. Godfrey and Miss Round. (Mrs Godfrey at the further end). Miss Round plays very--

--attractive tennis. Her speciality is a swift cross court drive to the back hand, very fast and nicely placed.

She ends by beating her very fine opponent.

Old partners play against each other. Miss Sterry serves to Miss Betty--

--Nuthall. Neither do marvellously at first, but Miss Sterry is soon out-matched by brilliant Betty.

Miss Nuthall (right) is heading for world championship.
