

FOR CHARITY'S SAKE - Edinburgh students  
continue their efforts to raise funds for  
the great cause."

Picture.:- If there is any way students have not  
tried to raise money for hospitals, I'm sure they--

--would be glad to know of it. Edinburgh Charity  
Week finishes up with a--

--hockey match on a very wet beach. The ball seems  
a trifle large, and isn't that lady fast?

The club costumes are very modern, you'll  
notice. Silk hats and--

--hockey sticks are the last word in gentlemen's  
sports attire. However, the great point is  
that all this--

--leads to more hospital beds for the needy.  
Have you all paid?
