Boys and Manchester Boys attracts over 40,000 people
to City Ground.

-Manchester-

Picture:- Here is something to make the Arsenal and
Newcastle look to their laurels. Forty thousand people
gather to see the--

--match for the English Schools Shield between Manchester
and Southampton. Southampton wins the toss,--

--and play begins. Manchester - lateral striped jerseys,
finds the opposing team a hard--

--nut to crack, and there's some very--

--clever play. Some of these boys will surely qualify--

--for an international game some day. Southampton has
scored, and Southampton--

--spectators hoot with joy. The Northern--

--team is gingering things up--

--a bit now, and getting its school blood warmed.

Look at that ! Very good indeed ! Newcastle is
playing--

--well and scores a beautiful goal.

An excellent drawn game ! The boys--

--were so fast that the--

--referee wanted a bicycle !
