

THE ROYAL COURT - Thousands through the Mall go
see the debutantes arriving for Their Majesties
Court at Buckingham Palace.

-London-

Picture:- In these cars are lots of fluttering hearts and--
--cheeks pinkly finged with excitement. Four hundred
debutantes waiting to be received--
--at the Court of their Majesties at Buckingham--
--Palace. Charming Miss Elizabeth Needham looks
more patient than she probably feels.

Miss Natica Nast plays backgammon to pass
the time, or to soothe her nerves.

While practical Miss Helen Ironside actually
knits. Shows great self control.

100's gather hoping for a peep into these
cars.

Ah ! I think Miss Elspeth Buckland is a
sensible young woman, and passing fair with all !

The Honourable Rosemarie (a lovely name)
Mayhew distributes her charms through the car
window.

Mrs. Roland Robinson's gown is greatly
admired. Then the--

--less fortunate girls go home to dream about
it all.
