ALFRESCO BOXING - Jack O'Malley defeats Tom Tucker on points at Preston North End football ground.

-Lancashire-

---

Picture. :- At North End football ground, Preston, Tom Tucker meets Jack O'Malley, the--

--New Zealand cruiser weight. Tucker is the heavier man by half a stone. But O'Malley is 5 inches taller. An advantage of which he makes the most ! Tucker lands--

--some heavy punches which connect with the body.

Through the ropes ! That one caught O'Malley off his balance and toppled him out of the ring. Tucker's right is a nasty thing to stop, but the New Zealander keeps too close for its effective use !

O'Malley's jabb left frequently troubles Tucker who seems--

--ever eager to force a knock-out. The crowd of seven thousand--

--seem to be enjoying it. O'Malley has cut his eye--

--rather badly, but despite this handicap he gets the verdict on points.

For once Tucker goes home without victory !  
Hard luck !
