Picture.:- When all these new session undergraduates of Wellesley College get together to do honour to the senior classes, they make a big number ! A very big number !

Returning the compliment, the seniors form a sort of guard-of-honour to the freshers !,

--as they walk into the Chapel for their first service.

After that, they make "hoopke". Big girls with big--

--hoops, and little girls with little hoops ! Tradition says that the girl who wins this wooden hoop race will be the first to wear a golden hoop as a blushing bride. That's why they're all running so hard ! Bowl along, hoops ! The winner is Miss--

--Mildred Mostey ! Congratulations, Milly !  
I hope he's nice !
