BRITAIN BEATEN - American ladies win the International golf match on the Wentworth course.

-Surrey-

Picture:- The British team of Women Golfers under--
--the captaincy of Miss Joyce Wetheryd have a strenuous
time--
--in the test match against the American team at Virginia
Water.

Mrs Vane and Mrs Hill and Miss Wetheryd and
Miss Morgan--

--make the first foursome. Mrs Hill, American, goes
off the--

--first tee. Miss Wanda Morgan, Great Britain, follows.
The great--

--crowd almost hampers the player's swing. It is
estimated that 15 thousand were present.

Miss Doris Parke, Great Britain, makes a splendid
drive from--

--the fairway to the Green. A nice--

--shot ! Miss Molly Gourlay fights well for Britain, and
later--

--Miss Enid Wilson makes a good shot out of a
bunker at the--

15th hole. But despite fine efforts Great Britain
gets badly left,--

--and the American team wins by five-three !
