BOWLING AT HASTINGS - Over 200 competitors
take part in first annual ladies' Open Bowling
Tournament.

-Sussex-

Picture:- One seldom sees a bowling green without
male players. The Mayor of--

--Hastings sets a new fashion by starting a--

--ladies annual bowling tournament. That shot is not
too good !

(APPLAUSE). Ha ! I must be wrong !

Two hundred women take over the greens for this--
--event and handle the wood well, too.

Yes ! That's a shot to be proud of !

Another competitor sends a nice ball--
--up to this group crowding the 'jack'.

One ball to come up and then--
--a spot of measuring to find the winner. Men will--
--have to use their bias against women more carefully !
