Wales decided, this year, in Roath Park
Lake.

Picture:- They're not all "Taffies" in the Taff
Swim at Cardiff.

Swimmers from far and wide take the water to
compete for the Cardiff Civic Week Swimming Cups.
The girls are now well on their way !

The temperature of the water is 50 degrees !
Brrr !

There go the men ! The distance over the course
is one and a half miles, and on a chilly--

--day like this, it's enough ! Here comes Miss Kathie
Broadley of Hammersmith, leading the--

--ladies. That powerful over-arm stroke takes her
past the--

--post and gives her a silver cup for her bottom
drawer.

The Lord Mayor presents the Ladies' Cup to
Miss Broadley, and the--

--Men's trophy to Mr. James of Weston-super-Mare.
