CALL OF THE ROAD - Hikers from all parts
meet on the Surrey Downs to support the Rights of
Way Bill.

-Near Shore-

Picture. All hikers' roads lead to the Surrey Downs
to-day. The first great--

--meeting of enthusiasts, to whom the call of the
road means--

--the way to health and freedom. The Right-Honourable
Holford Knight.K.C.M--

--P. addresses the gathering in support of the Rights
of Way Bill. And--

--in this old chalk pit, these thousands listen--

--to the reasons why they should be allowed to--

--roam the hills and lanes, without hindrance,
or fear of trespass.

And now for a "spot" of hiking ! Careful, you people !,
or you'll slip and spoil your record !
