Picture.:- The fine City Square of Cardiff has an imperial look about it to-day. The troops of the Cardiff Garrison support the city's Civic Week--

--the Lord Mayor taking the salute. The parade includes units of mechanised artillery. These--

--troops belong to the 53rd Welsh Division, with Commander Major Grant C.B.D.S.O, which--

--fought with such distinction in France, Egypt, Palestine and Gallipoli.

BAND EFFECT.

This is the first parade of its kind held in Cardiff since the War. A great 'scoop' for the City's Civic Week !
