

INTERNATIONAL HORSE SHOW - Many novel features at
the most important exhibition of its kind in Britain.

-London-

Picture.:- Despite the millions of motor cars, horses still
hold--

--their own Show. Every type of mount and rider--

--is represented at Olympia's International Horse Show.

Britain's first-class blood-stock all have close relations--

--entered for honours. This is turf riding, not surf riding !
Rather bumpy ! But very good for the liver, one would think !

The Mounts of the Iniskilling Dragoons are not easily
tripped up !--

while they take these sandwich boards as easily as a - er -
sandwich !

The old Grand National heroes parade, the veterans of the--
--sticks. The aristocrats of the turf ! Who have won fortunes
for some and lost them for others !

A foxy deception of the huntamen--

--makes the Bicester hounds try to nose out the fox which
isn't there !

The jumping champion-e

--will get fifty guineas--

--for his effort. That's an expensive mistake. Better
look, next time !
