"CROSSING THE LINE" - "Mr. Family Man"

deputises for Father Neptune at amusing
ceremony aboard the Crested Eagle.-Clacton-

Picture:- This "Crossing the Line" ceremony is not held at the Equator. It's a different line! (What a nice girl!)

FATHER NEPTUNE being engaged elsewhere, MR.
FAMILY MAN deputises--

--for the underseas tyrant, holds court and inflicts the penalty of being ducked - - like that!

People who admit having spent money in a holiday abroad are ruthlessly shaved and soured in the ship's tank.

This offender's excuse is that English "pubs" are closed at 10, but the sentence is passed and promptly--

--executed. His effort to escape fails, and the dose is repeated!

Well, it's holiday time, and the summer is here, so let's be gay!
