TRAIN EFFECTS FOR TWO SHOTS.

After a period of twenty-four years a--  
--papal legate again sets foot on--  
--English soil. Cardinal Lorenzo Lauri is greeted with  
scenes--  
--of great fervour. Men, women, and children fall--  
--on their knees to receive his blessing or kiss the hem--  
--of his robe. As His Eminence moves away crowds press--  
--decorously round, wishing him "God-Speed" on his mission  
to--  
--the Eucharistic Congress at Dublin.
