COWES IN MINIATURE - Model yacht racing for
the English championship at Platt Park, Manchester.

-Lancashire-

Picture.:-This might be a Solent Regatta, but it isn't !
It's a sort of--

--pocket edition of yacht racing. Model yachts, correct
in every detail, race for the English Championship at
Manchester.

There's a beauty ! A miniature rival of the "Shamrock" !

Every one of these tiny craft has a fancy name just
like their big--

--sisters. But if they don't behave properly they're
called - - well - - anything short and--

--snappy ! Like mother's jam, they're all home made
too ! Sweet little things, aren't they ?
