EUCCHARISTIC CONGRESS - Nearly a million worshippers
attend Pontifical High Mass in Phoenix Park. Dublin.

-Irish Free State-

Picture.:- Under this great white shrine an altar is
set. On that altar burn six candles of purest wax.
Toward them advances the Papal Legate.

Ex-President Cosgrave is there, as indeed is--
--everybody who has faith in his--
--soul. A ruling Indian Prince - a poor Priest--
--from the Frozen North - thousands of devout women of
all countries, and--
--battalions of men speaking all languages, all seeking one
aim, to partake--
--of this mystic beneficence dispensed by the spiritual
ruler of--
--Christendom through his chosen representative Cardinal
Lauri.

Never before at any such Congress have the massed--
--thousands been able to hear the benediction pronounced. On--
--this occasion loud speakers carry the reverent voices to
the farthest edges of the kneeling crowds and indeed across--
--to other countries of Europe. The emotion of--
--millions is excited by this service. $\frac{1}{2}$ ritual of ^{The} symbolic--
--vestments. This week religious fervour has transformed
Dublin into a City of Prayer !
