---

Picture. 1:- The march-past of competing teams in the championship meeting of the Northamptonshire Schools' Athletic Association. These youngsters--

--are as keen as mustard on winning the--

--honours for their form--

--and school. On--

--your toes, and off !

The girls make a very good show over the hurdles and--

--the winner Violet Freeman made excellent time.

The long jump for girls attracted--

--many entrants and some very good efforts--

--were recorded. 12 ft 5 inches--

--won the event for Bessie Penn. Brava, Bessie !

Now let the boys--

--have a show. Everyone seems to enter for the 100 yards sprint. In a few--

--seconds the winner proves to be Master B. Ward.

The high jump is very keenly--

--contested and the boys do--

--quite well. 4 ft 5 inches,--

--the best jump was cleared by G. Taylor.

Parents, your children have done well, whether they have won, or not !
