"FOILED" AGAIN 8 Keen contests in the Scottish
Fencing Competition for the Ford Challenge Cup.

-Edinburgh-

Picture.:- The Meray Gardens at Edinburgh may have
witnessed scenes--

--like this in the bad old days, when duelling swords--

--were used to settle differences. There is however no
such violent clash--

--of opinions between these members of the Scottish--

--Sword Club. Just a --

--clash of steel, as the competitors fight for--

--the honour of winning the Ford Cup for Fencing.
By skilful parry and dangerous thrust--

--Milligan forces his opponent to give ground,--

--and at last wins the contest and the Cup which is
presented by Lady Ford herself ! A unique victory !
