

AUTOMOBILE GRAND PRIX - 100,000 spectators witness
thrilling scenes on Marne Circuit when Nuvolari wins
75,000 francs prize. -France-

Picture.:- One of the most successful motoring events ever
held in France ! Sixteen--

--starters have their cars tuned up to the--

--last degree of mechanical perfection to compete for the
GRAND PRIX--

--of the Automobile Club of France. The race is on ! The
cars--

--pick up pace until spurts of speed up to 100 miles an--

--hour are commonplace. There is a great--

--duel between the German-Italian Caracciola, and the French
Italian--

--Varzi which lasts 12 laps, when Varzi retires. Out of
the 16--

--cars which left the starting line only nine are now--

--in the race. England is represented by--

--a single driver, Lord Howe. Nuvolari, who is bound to
win--

--now gets 75,000 francs for his effort.

Italians take first, second and third prizes !
