ALL FOR CHARITY - Jubilee celebration of Birmingham  
annual sports at Villa Park. -Warwick-

---

Picture.:- To foster health and strength and respect for one's--

--fellow being is the aim of the various clubs and societies which combine to make Birmingham Charity Sports an outstanding event in the world of athletics. This is the jubilee year of this gathering. Seven hundred fit men, and women of the Amateur--

--Gymnastic Association march and counter march in perfect formation and time.

The accurate co-ordination of all units taking part in this massed drill is a tribute to the director Mr. J. Coterill. Healthy youth--

--of Birmingham and district have laboured to perfect their purpose in order to aid the many hospitals needing funds for the--

--ailing. If the response of the charitable is equal to the display, the hospitals' burden should be greatly lightened.
