ROYAL YORKSHIRE SHOW.

Picture.:- A big day for Yorkshire ! The arrival of the Duke and Duchess of York -

--is the signal for much enthusiasm on--

--the part of a packed attendance at the great Yorkshire Show. 400 head of cattle also--

--have waited for this moment before commencing to--

--show off their paces. Now famous sires of famous breeds amble across the arena--

--to receive royal approval, which they accept with stolid British Modesty.

Their Highnesses show great interest in the display of short horned cattle. A special attraction--

--is the pit lads and their ponies. The Duchess congratulates the--

-lads on the fitness and well fed appearance of--

---the animals. The royal visit and the show are each a great success.
