NEW AERIAL LINK WITH THE CONTINENT -

A party of happy Dutch girls arrive by plane to inaugurate new Holland-to-Croydon service.

- Surrey -

Picture:- This picture is not quite so ordinary as it --
-- looks. It has made Croydon go all Dutch for --
-- the time being. No musical comedy chorus about --
-- this. The girls are the real thing from --
-- Holland and their voyage inaugurates a new Passenger
Air Service between --
-- their country and England. It is their first time --
-- in England. Just a flying visit. Well, have a --
-- good time Gretchen -- you will anyway with that smile !
