GLORIOUS GOODWOOD! - In far-from-
glorious weather "Solenoid" wins the
Stewards' Cuppat 33-1.
- Sussex -

Picture:- The tag of Glorious Goodwood stills sticks to
this famous meeting.

Thousands are here apparently happy to get
soaked --
-- by rain and bookies. The stand allows the luckier ones --
-- a wonderful view of a lot of umbrellas round --
-- the starting post ! The horses, willing wither to run --
-- or swim, are just lining up for the start. They're off!
prepared for anything! The only thing they object to is
winning in the order given --
-- by racing experts. Eyes Front, the favourite, is not
pleasing his backers. Slipper is doing well and looks likely.
Valkyræ and Polar Bear are in the front bunch, Solenoid is
pushing past Polar Bear and Slipper and is winning. Yes -
33 to 1 - Solenoid gets it --
-- and an expert told me -- Well -- never mind. Glorious
Goodwood !
