THE WEAKER SEX - Czecho-Slovakian girls
give amazing display at calisthenic centennial
celebration.

- Prague -

Picture:- If you ever sing "Put me amongst the girls", you
should be --

-- dropped into the --

-- the middle of this little lot. 17,000 Athletic young women
all in one place! One of the most remarkable sights ever
seen in the history --

-- of athletics. It celebrates the centenary of the first
athletic club in Czecho-Slovakia. A wonderful demonstration
of feminine grace --

-- and rhythm in the mass. And the crowd! Nearly --

-- a quarter of a million people watch these young lissom
bodies swaying like a field --

-- of ripe corn fanned by a breeze. Its really inspiring.
Take a good look, you won't see another picture like this
for a month of Sundays, and more!
