ROYAL NATIONAL EISTODDFOD OF WALES -

Picturesque and impressive scenes at the
Gorsedd Ceremony at Port Talbot.
- S. Wales -

Picture:- To the mystic druidical circle go the Bards
to take part in the impressive Gorsedd ritual at --

-- Eistoddfod. To North, South, East and West, horn-blasts
are blown --

-- to inform the world that the ceremony is --

-- to begin. As the Bards close in upon the ArchDruid,
he asks "Is the Sword one --

-- of Peace" and they reply "It is peace".

There is a lot more along these lines. All
presumed to be founded upon mystic rites of the real ancient
Druids. Only --

-- Bards may enter the circle but thousands are interested
enough to gather round the --

-- outside. The ceremony inaugurates a week of song --

-- during which famous choirs and bands make joyful noises !
