PIT BOY TO "KING" - Novel coronation
ceremony at Alfretton's Carnival in aid
of local hospitals.
- Derbyshire -

Picture:- In this case "Old King Coal" is only fourteen --
-- years of age. His throne is --
-- built of coal from the pit where he works every day. From
pitboy to king in --
-- a split second. The Carnival is organized in aid of the
Derbyshire Royal --
-- Infirmary and the whole town co-operates. There is a --
-- Queen too, thoroughly enjoying her brief reign. The
throne of --
-- the King is a single lump of coal, weighing over a ton,
one --
-- of the most solid thrones in Europe. It should lend
good support to Derbyshire Royal Infirmary.
