STRATHALLAN GATHERING - Sturdy Scots compete
for athletic honours at Bridge of Allan meeting.

-Scotland-

Picture.:- Two of the most characteristic things in
Scotland are the dancing movements, and the whiskey--

--stills. There are lots of spirit in both of them !
From the days of --

--the romantic Rob Roy, the glens have echoed the skirl
of the pipes and the tap of dancing feet.

It probably rained as much then as it does now !
The--

--Strathallan gathering annually revives the traditional
sports of old Scotia ! Throwing the hammer is--

--peculiarly Scottish. Most spectators prefer a distant--

--view, in case of faulty aim. The winner throws 99 feet.

Wrestling in Cumberland style by Braw Scots has
its excitements ! Arnica is usually kept at hand, in
case anyone's feelings get hurt !
