THE "GOLDEN" KEY - to happiness plays an  
important part in the opening of the age-old  
Mitcham Fair.--Surrey--

---

Picture.:- Lots of people have spent lots of time  
trying--

--to find a key to happiness, and here it is at--

--Mitcham. With it, Councillor W. Carlton opens the  
historic Fair. The--

--Charter under which the Fair is held dates back to  
Queen Elizabeth, and is believed to be one--

--of the oldest in the country. The key is "taken  
for a ride", and where the key rides mere humans may go  
free--

--of charge. Look at the crowds ! This customs  
of travelling fairs is a relic of the simple old  
English life which is dying hard. Pity !, it's  
dying at all, but it is !
