

MISS - UNDERSTANDINGS - - Hundreds of charming bathing
belles enter "Shapeliest Leg Competition" at Margate
Bathing Pool. -Kent-

Picture.:- I am sure you have all earned your holidays - -
I hope you have enjoyed them, and feel better for the--

--change, if you have any change left after being away. If
it so happens that--

--you haven't been away yet - - this is Margate !

A bracing resort with many pleasing views, and a lot
of sea if you wish to shrink--

--your bathing costumes ! Leslie Fuller acts as judge in a
shapely--

--leg competition, and rather takes to the job.

You have heard of girls having a perfect understanding !

Well, Dorothy Adams, Joy Jessop, and Marjorie Henderson
are three--

--outstanding examples, whom Leslie, lucky dog, propitiates
with prizes !,--

--while all the other males nash their teeth,--

--and go green with envy. All good things--

--come to an end, but seldom is the end so perfect as this
one !
