

JUST A "SMALL" AFFAIR - - Great crowd assembles to witness wedding of two of the smallest people in the world. -Mitcham.Surrey-

Picture.:- Behind that bouquet by the car is concealed Miss Kathleen Griffiths - - ah ! there she is ! She is only--

--3 ft,10" high, but this is no reason why she should not--  
--get married. Her stalwart sweetheart is 4ft--  
--in height, and 27 years old.

The parents of both are quite ordinary sized people, but these--

--two just happened to be smaller editions than usual !

Their marriage isn't much of a lottery. The prizes are so small !
