VICAR WITH A PUNCH - - The Rev.S.W.Key,

Vicar of Fulford has devised a novel way of
collecting funds for new church schools.

-Yorks-

Picture:- A sporting Vicar, with a different sort of
punch !

It's really an ingenious method he has devised--
--of collecting funds to wipe the debt off--
--the new schools' buildings. A novel idea,--
--but it's not every Vicar--
--who is so versatile as Mr.Key, and not every one who
is so popular.

4 SHOTS SOUND EFFECTS.

By his Punch and Judy performance--
--the Vicar has already acquired several hundreds of
pounds.

Every Vicar may copy them-, if they wish, and
if they can !
