SCOTT CENTENARY - - The giant statue of Sir
Walter Scott is prepared to play its part in 100th
anniversary of the passing of the poet. -Edinburgh-

Picture.:- The famous Monument erected to the memory of
the great Scottish novelist, Sir Walter Scott !

This is what it looks like to the aerial camera !

On September 28th, centenary celebrations of the
writer's birth are to be--

--held, so the City Fathers vote the Monument a "wash-
and-brush-up" in--

--honour of the occasion. By the way, this is, I
understand, the largest memorial in the--

--world built to perpetuate the memory--

--of one man. A great tribute, but his--

--greatest memorial are the immortal Scott novels !
