THE CARROTS STAKES - - Though thrills are absent, there are many merry moments at Margate "mokes meeting". Kent-

Picture:- Although it's rather a trying ordeal to have their--
--weights revealed, lady jockeys for--

--the Donkey Stakes don't gib at it ! Modern girls don't mind exposure ! The--

--mounts would be awful donkeys if they kicked against being ridden by these--

--riders. The event is organized as part of the search for amusement--

--at Margate. Sticking to recognised race methods, this is the parade ! Pick your fancy, and--

--back her - - I mean it -- Sorry ! A big field, and--

--no favour ! They're off ! Jove, what a pace ! Bumping and bering !

Very wearing on the jockeys ! But the more they bump, the closer they cling ! The--

--crowd enjoys its own comfortable seats,--

--while the jockeys get hysterical with excitement straining to pass the post ahead of all competitors.

The winner is Miss Jennie Thomas - - a sporting rider from Cardiff !, who--

--gets the first prize. No !No !These are for the donkey !
