

SPLASHING THROUGH - - Aquatic stars create new records at women's swimming gala, in New York.

-U.S.A.-

Picture. :- A few of New York's millions come to --

--see what sport there is at the Women's Swimming Gala, and when they see this 100 metres back--

--stroke final, they raise their hats. They have to admit that to be fast, a girl needn't--

--drink "highballs" in Speakeasy's !

Miss Helen Holmes wants to win and break--

--the world's record. ^{just} She/does both in the--

--marvellous time of 78 1/5th seconds.

Then a diving start for the 400 metres free style !

A very--

--important race. Another Helen - - Maddison --this time streaks--

--straight into the lead, and makes sure of first place. But--

--she sets her eyes on a record too !

With the rest trailing behind, she puts--

--up the most brilliant performance of--

--her career, and sets a new 400 metres world record. In --

--the water, most men are "poor fish" against her !
