HEAD-ON-RAIL SMASH - - Actual collision and fire  
staged as great attraction at Iowa State Fair.

-Des Moines, U.S.A.-

---

Picture:- Watch for America's way of tossing-up to find  
who is--

--to win in the Presidential elections.

Hoover V. Roosevelt! Now, hold tight !

(AFTER M.C.S. of FIRE WITH NAMES).

Both the Presidents seem to be getting it about--

--as hot as--

--er - - anything, but who wins ?

That doesn't matter ? Thirty thousand people  
paid to see it ! That matters ! Good business !
