LATEST NEWS FROM THE FASHION SALONS - - A

word to the ladies on what to wear, and not to wear,
this autumn. -London-

Picture:- Ladies ! A word with you ! And if
your escort appears to be taking an interest, there are
hopes - - for your birthday !

A few pairs of Leaf Brown pure silk stockings--
--would be useful, eh ? ----- Fishnet in lisle, not--
--to be despised, either ! But perhaps you prefer
real silk;; they--
--certainly are attractive, provided they're not empty !

A well filled stocking has its moments - - at Christmastime !

What the, - - who the - -, hey ! Scotty, hop it !
And don't come back !

After that interruption we turn to hats, or rather, this
is a cap, of feathers.Nifty, eh ?

This is called dough-boy shape. Looks rather
like "Oh, boy !"

They are all so extremely charming, it's not surprising
that poor--

--mere man is bewildered--

--when he takes "the girl friend" shopping. His mind
is like this after about a--

--million try-ons ! My hat !

Some charming examples of the most useful things of
all - - the umbrellas, I mean !

You can even carry one in your handbag, along with your lipstick, another hidden skeleton, so to speak. Good idea, what ?

Bead necklaces are getting bigger, while ^{bones} other things get smaller.

It'll soon be a halter round the neck, and wager down it, at this rate !

Well, ladies ! The sales are on ! Go to it, but don't "Buy skittish" !
